### **Daniels Awarded Leadership Wilmington Alumnus of the Year Mattox and Capobianco Named Most Outstanding 2014 Class Members**

Wilmington, N.C. — The 7th Annual Karl Davis Leadership Wilmington Alumnus of the Year Award was presented to 2007 graduate Wilma Daniels during the Leadership Wilmington Alumni Association reception held at the Country Club of Landfall on August 7th. The award was named in memory of LW graduate and WECT General Manager Karl Davis, who died in 2008, and was a proactive force in the community.

Daniels, who is president of Daniels Management, was honored for her extensive volunteer work and for giving back to the community. She is a Trustee at the University of NC Wilmington and is the founder of the Katherine S. Finley Scholarship for Certified Nursing Assistants at Cape Fear Community College. She serves on the Executive Committee for the American Heart Association and is a mentor for UNCW students and for young women at the YWCA.

Daniels has also worked to enhance opportunities for diversity throughout the community. She serves on the Board of Directors of the Wilmington Chamber of Commerce and the Chamber's Diversity Committee.

For the first time, two Most Outstanding Leadership Wilmington Class Member Awards were presented, the result of a tie in the voting by class members. The awards were presented to Charlie Mattox (BB&T) and Greg Capobianco (Baker Roofing Company). The awards were determined based on voting by the LW Class of 2013 to express their appreciation for the class member who went above and beyond in making contributions to the class, who was open to new ideas, and displayed outstanding leadership skills.

Mattox was chairman of the Volunteer Committee for the 2014 Work On Wilmington, the Leadership Wilmington class project. He is an 11-year veteran of BB&T, previously serving as the City Executive in Boone, NC. He is currently BB&T Market President for New Hanover, Northern Brunswick, and Southern Pender Counties.

Greg Capobianco was chairman of the Logistics Committee for the 2014 Work On Wilmington. He is the general manager and vice president at Baker Roofing Company, and a 2007 graduate of NC State University.

Leadership Wilmington is a program of the Greater Wilmington Chamber Foundation that brings leaders from across the community together to educate, challenge and motivate participants to use their leadership skills for the betterment of the community. Leadership Wilmington organizes and implements the area's largest community service day, Work on Wilmington (WOW), each year as its class project.
